Not Approved.....	0	Average Daily Ridership 2000-01	1,375
High School Diplomas Regular.....	143	Contracted Operation	
Other Completions*	0		

* Certificates of Completion issued by the district

** Limited English Proficient (LEP)

Superintendent's Highlights

The accomplishments of Superintendent Dr. Richard Bauscher during his first year are due in great part to the impressive teamwork of Board Members, Staff, Administration, and the support of the District's patrons/parents.

The passage of a \$10.25 million bond issue in November is among the most momentous steps forward. The construction of our new elementary school and additions to three of our current schools has begun and they will all be completed for the beginning of the 2003 school year.

During this year, we have made a concentrated effort to increase communications with the School Board, Staff, Patrons and Parents. Although communications will always be an ongoing process, we feel that we have made great strides in this area. The establishment of a weekly School Board newsletter, a monthly staff newsletter, seven public newsletters, a well-maintained website, utilization of group emails and extensive media contacts, have received positive feedback from patrons.

Progress Towards Meeting District Goals

2001-02 Goals

Progress

Improve communication with the School Board, Staff, Patrons and Parents, and media

The Board members are sent a weekly publication that highlights District/Building events. Staff members receive a newsletter each month after the regular Board meeting. Board, Staff, Patrons and Parents receive a newsletter seven times during the school year covering District and building events. Monthly press releases are sent to the local paper and other media are contacted as newsworthy events occur.

To build a teamwork relationship with staff members.

Bi-monthly meetings are held for the Administrative Team. Three all District staff meetings are held during the year. E-mail is utilized to keep staff informed during the year.

To interpret and support Board policy, while keeping abreast of the need for revised or new policy.

Purchased a sample policy manual. The current District Policy and Procedure Manual is being completely reviewed for compliance with Idaho Code and District needs over 18 months.

To pass a bond issue for the construction of a new elementary school and additions at three other schools.

Through the teamwork of staff, patrons and local businesses, the bond issue passed with 73% approval.

To keep on top of the curriculum trends and development, bringing the District in line with the State Standards.

Hired an assistant to work alongside the Curriculum Director. Received a 'Creating High Performance Schools' grant from the Albertson's Foundation to assist with funding.

To have an open-door policy.

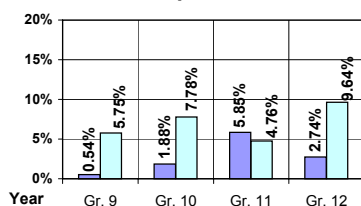

Every attempt is made to provide opportunities for staff, patrons and others to be heard by the appropriate staff member. Each contact is followed up in some way, letting individuals know that we are listening.
